

DAYCO® TIMING BELT WATER PUMP KITS

OE-QUALITY COMPONENTS THAT ENSURE PEAK PERFORMANCE

With a focus on system solutions, Dayco offers one of the industry's most comprehensive lines of timing belt water pump kits – providing coverage for the majority of domestic and import vehicles on the road today.

Our kits, which are sold with and without water pumps, include all the components needed to conduct a complete system repair. Every part that technicians need to make sure the job's done right the first time is in the box.

FEATURES:

- **Timing belts** engineered with wear-resistant fabric and high tensile strength cord for slip-proof power transfer and extreme heat resistance
- **Idler pulleys** with tighter dimensional tolerances and lubricated bearings for less vibration and better belt performance
- **Tensioners** with a heavy-duty cast aluminum or iron spring case and arm that resist cracking and fatigue
- **Water pumps** with superior gaskets and composite seals to prevent leaks

BENEFITS:

- All the necessary components for the job are in ONE part number for easier ordering and parts stocking
- Includes a comprehensive 125,000 mile/200,000 km warranty when professionally installed
- Simplifies the installation process, removing potential room for error and reducing the possibility of comebacks
- Manufactured to critical OE quality fit, form and function requirements demanded by today's automakers
