

DAYCO® DRIVE RITE® SERPENTINE BELTS

VALUE ENGINEERED PRODUCTS FOR LIGHT-DUTY VEHICLES

The Drive Rite® belt line is a robust opening price point contender in automotive serpentine belts. With comprehensive coverage for 95% of the light vehicle population in Canada – both foreign and domestic – Drive Rite belts are made with reinforced EPDM compounds for steady performance and reliability. They work well in a wide range of temperatures and load conditions and are an ideal option for more price conscious consumers.

Offering smooth performance and resistance to cracking to prolong belt life, the belt is backed by a one-year warranty.

FEATURES:

- Reinforced EPDM rubber compounds for good performance and reliability
- Excellent anti-static performance compared to OE design
- Better coefficient of friction in wet driving tests when compared to the original belt

BENEFITS:

- Extensive coverage at an opening price point
- OE-quality replacement part designed as an exact fit
- From the makers of Dayco premium belts
